## ABOUT US

A comprehensive resource to broaden your knowledge, develop skills, and improve your ability to implement evidence-based prevention methods in your work and practice.

### eLearning

The PLP offers FREE online courses that are self-paced, prevention-focused learning opportunities. Many qualify for continuing education credits.

### News & Events

The PLP houses a listing of prevention-focused workshops, conferences, and news releases.

### eLibrary

The PLP offers an eLibrary of general prevention resources that have been compiled to assist you in advancing your prevention efforts as you learn and improve your skills.
